Call 510-979-1979 with your specific analytical needs and concerns. To ensure quality service, we reserve the right to reject inappropriately prepared/shipped samples. All analytical services subject to our terms and conditions. Digital photomicrography order must be placed before report being issued. Culture media and swab samplers are available and free of charge if returned to the lab for analysis. We customize report format upon request. If no turn around time indicated, standard report time applies. Samples received after 6:00 pm on business days or in the weekend will be logged in the next business day. For "same day" service, samples must be received before 10 am; for "6 hours", 12:00 pm; for "3 hours", 3:00 pm. Our business hours are 9:00 am - 6:00 pm, PST, Monday - Friday.
